Thanks Tate.

Would you please let me know if you have spoken with your client Ex. 6 - Personal Privacy about EPA's plan to remove its water buffalo from their property this coming Monday August 6? Thanks.

Hi Tate,

This is to confirm our conversation this morning, during which you stated that EPA could provide to PADEP the names of your clients who correspond to the well numbers in the Isotech report. Please let me know immediately if this is incorrect or not your understanding.

Thank you,
Humane
